Railway Signalling & Telecom Technologies

IRISET also offers the training on Railway Signalling & Telecom Technologies to the executives of PSUs and Private industry. The Equipment courses on Signalling and Telecommunications appearing in IRISET's Training calendar for 2024, available on IRISET website (iriset.railnet.gov.in), are open for participation of personnel with relevant background in Railway working. IRISET can also design customer specific training programs for the benefit of industry. The training fees for the representatives of Non-Railway organizations working with Railway is Rs.500/- per person per day, exclusive of 18% GST. The training fee in respect of others is governed by Railway Board's letter No. E(Trg)2008(22)/1-A dated 11.05.2022.

Interested Private industry and PSU representatives can contact this office through email iriset.trg.supdt@gmail.com or on telephone – 040-27785846 for further details. Senior Professor (Training) (Mobile No.9392949801)/Lecturer (Training) (Mobile No.9701341813) can also be contacted for any assistance/information needed.
