Dated: 04.10.2024

Director General,
IRISET,
Secunderabad.

Sub: Organizing a Workshop on Kavach System.

Kavach system is being proliferated on quick and faster manner on Indian Railways. Kavach System has been commissioned on 1348 RKM (SCR & NCR) and works are in progress in Delhi – Mumbai & Delhi – Howrah section. Loco Trials are also being conducted in these sections. Recently Passenger Train Trial on Version 4.0 of Kavach Specification conducted by WCR in Kota – Sawai Madhopur section.

As the Knowledge dissemination and sharing experiences gained during construction and trials will play a big role in smooth and faster execution of Kavach System on Indian Railways.

With this objective in mind, a One-Day workshop to be organized by IRISET at Secunderabad tentatively in the week of 14 to 18 October'24 where CSTE/Projects of all Zonal Railways who are in-charge of Kavach works shall be participating. In this Workshop PCSTE/SCR & PCSTE/WCR to be invited to give key note speech regarding their experiences on Kavach Deployments. General Manager/Central Railway also to be invited to share his experiences with the participants.

IRISET is therefore requested to take further action in this regard.
