Sub: Training Programmes on emerging IT & Computing technologies by IRISSET for capacity building of IR Officers.

IRISSET will conduct training programmes on various emerging technologies including Data Science & AI Applications, Big Data Analytics, Blockchain, and Cloud Computing during the year 2026. These programmes will be organized in collaboration with C-DAC Noida and will be open to officers of all departments. The initiative will help IR officers stay updated with emerging trends in IT and computing and enable them to smoothly adopt these technologies in their respective roles.

The details of the training programmes are given below:

Sl.No.	Course Name	Duration	From	To
1	Data Science and AI Applications	1 Week	02/02/2026	06/02/2026
2	Big Data Analytics	1 Week	27/04/2026	01/05/2026
3	Cloud Computing	1 Week	11/05/2026	15/05/2026
4	Blockchain	1 Week	06/04/2026	10/04/2026

It is requested to nominate one officer from each Zone/Unit for each programme.

Details of the program is available at IRISSET Website: (<https://iriset.railnet.gov.in/>) with further guidelines to the trainee-officers to get registered by themselves at the IRISSET Website.

Senior Professor-Training is the Nodal Officer. Nominations may be advised to Official Email ID: chos-trg@iriset.railnet.gov.in

The proposed programmes will play an important role in familiarizing officers with emerging technologies and strengthening their ability to leverage such tools in their official responsibilities. Necessary support is requested for their smooth execution.
